

## Tradetech Solutions Release of TTS Platform Version 2.0

We are excited to announce the upcoming release of TTS Platform Version 2.0. It will be available to all our customers on February 15th, 2022. Many thanks to our customers that have helped us test before making LIVE.

While there are many new features that have been incorporated below are a few highlights.

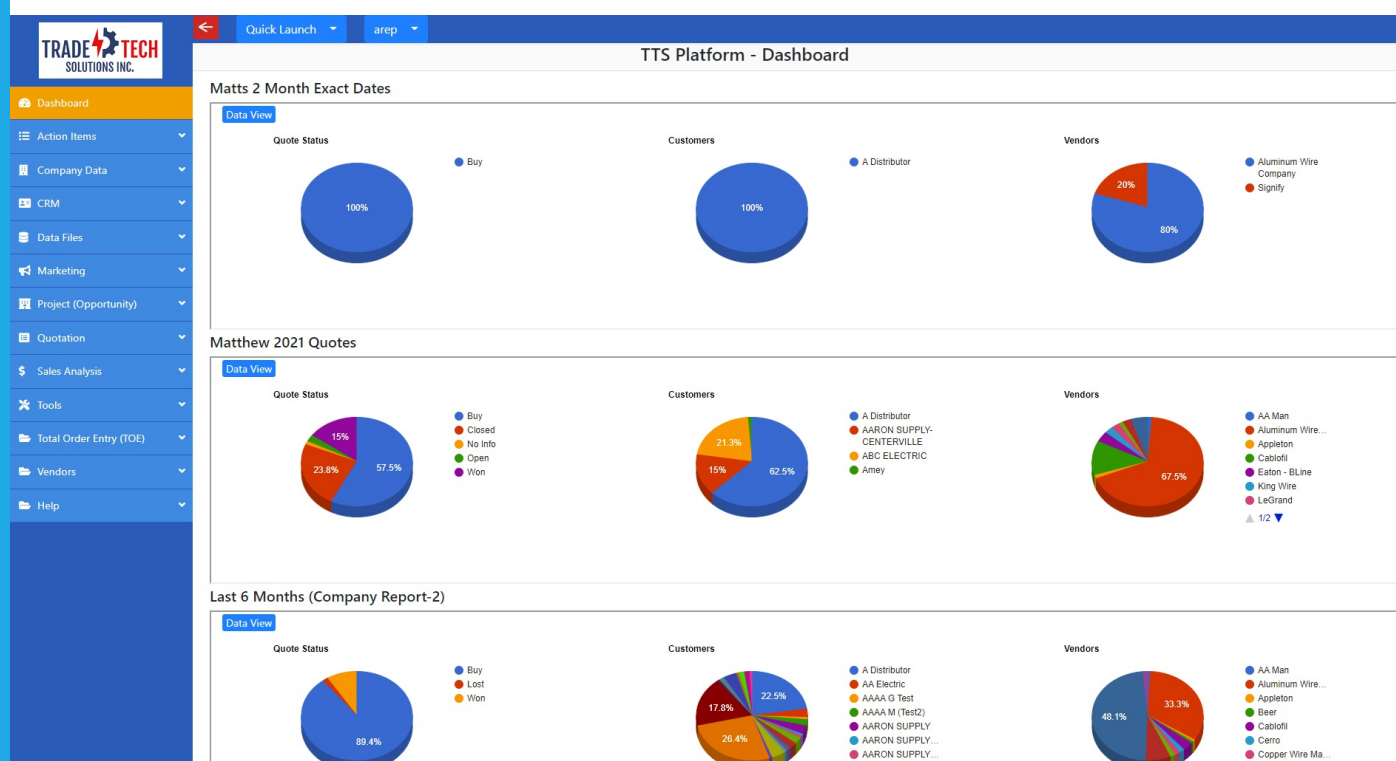

1. More Intuitive Navigation
2. More Mobile Friendly
3. Customizable Quick Launch
4. Customizable Dashboard
5. Interactive with your TOE (Total Order Entry)
6. Etc..

In order to get you familiar with this new version our Steve Gross will be creating videos over the coming weeks. His initial one can be view with this link: [TTS Platform Version 2.0 Overview of Navigation](#)

We have also scheduled two 30 minute webinars to demo the new navigation and features. A follow up email will be sent shortly with the webinar credentials. Each webinar is limited to 250 connections. We will open the meeting 15 minutes before start time and will be first come first serve. If we find that a third session is required will will do so. The two that are scheduled are:

- 1) Tue, Feb 15, 2022 11:00 AM - 11:30 AM (EST)
- 2) Thu, Feb 17, 2022 2:00 PM - 2:30 PM (EST)

The current TTS Platform version will remain available until March 1, 2022. If you would like to schedule a private webinar demo please reach out to us to schedule.
